Governance Background

The Travis County Commissioners Court is the governing body of Travis County. The Commissioners Court consists of the elected County Judge and four elected precinct Commissioners. Governance Background (continued)

An Emergency Services District (ESD) is a political subdivision of the State of Texas. There are 17 ESDs in Travis County. ESDs are subject to the provisions in the Texas Health and Safety code Chapter 775. ESDs have the authority to levy ad valorem (property) tax.

The Texas Constitution states that ESDs may tax up to a max of \$0.10 per \$100 of property valuation (a home certified at \$100,000 will help fund the ESD by \$100 a year). The ESD's creation documents establish the District's initial tax rate limit. ESDs may also collect sales tax, provided an election is held and voters approve this power. In Texas, 8.25% is the maximum allowed sales tax rate. The state collects 6.25%, leaving 2% available to eligible local jurisdictions, including ESDs. An ESD may collect anywhere from 0.125% to 2% of the local sales tax rate depending on availability and subject to voter approval.

Service Area

Travis County Emergency Services District No. 17 (TCESD17) was created by a vote in unincorporated portions of Travis County on May, 1st, 2022. The TCESD17 provides dedicated funding for advanced life support and ambulance transport services for portions of northeast Travis County. TCESD17 is currently contracting with Travis County Emergency Services District No. 2, The Pflugerville Fire Department, to provide these services. TCESD17 also contracts TCESD2 to provide bookkeeping and administrative support.

TRAVIS COUNTY EMERGENCY SERVICES DISTRICT NO. 17

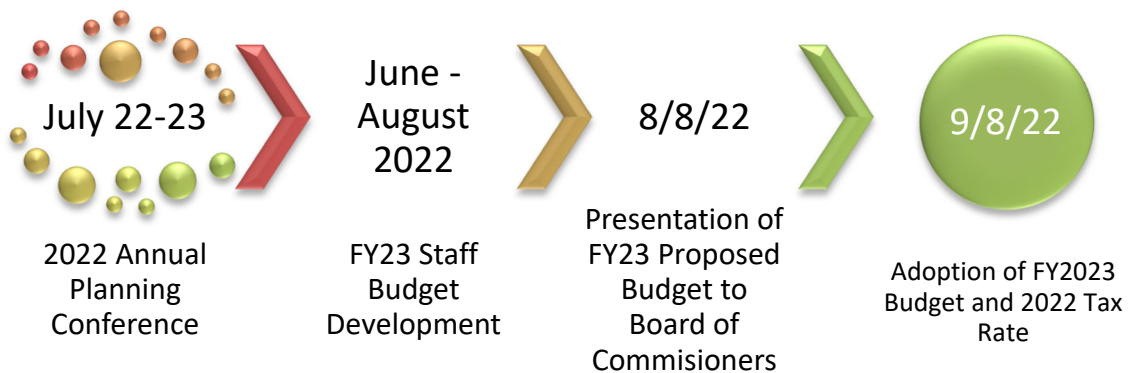

Budget Development Process

The TCESD17 budget process is formally initiated with the Planning Conference which is an annual retreat of the District's executive team and the Board of Commissioners. The purpose of the retreat is to discuss the upcoming fiscal year budget and the related goals and priorities from the Strategic Plan.

The Planning Conference held in July 2022 included both TCESD17 and TCESD2 and included a presentation regarding the TCESD2's Standard of Cover Analysis for emergency medical services and a five-year financial forecast was presented as well.

Throughout July and August 2022, TCESD2 staff developed and finalized the proposed TCESD17 budget. Once the staff completed their review, the rest of the budget cycle leans heavily on the Board of Commissioners' review and input from the public. Requirements to set the property tax rate varies depending on the rate approved, but typically include at least one public hearing.

Budget Development Calendar

Budget Amendment Process

Budget amendments are permitted once the fiscal year budget has been approved by the Board of Commissioners throughout the fiscal year. The budget is approved at a fund summary category level by the Board of Commissioners. Amendments to the Approved Budget that would require movement of funds between fund summary categories must be reviewed and approved by the Board of Commissioners at publicly held meetings. Amendments to the Approved Budget that include line-item changes that are within budget units must be reviewed and approved by the TCESD2 Finance Director and Fire Chief.

Fund Level Budget Information

TCESD17 has just one fund, the General fund and all accounting for the District all rolls up to the General Fund.

Fiscal Year 2023 Approved Budget Overview

Revenue

TCESD17's revenue is almost entirely from property taxes. The FY23 Approved Budget revenue is projected to decrease \$619,000 from the FY22 Amended Budget due to decrease of the tax rate from \$0.045 per \$100 valuation to \$0.0245 per \$100 valuation. The property tax rate assessed on tax year 2022 values are due to TCESD17 in January 2023.

Expenditures

The FY23 Approved Budget operating expenditures are projected to decrease \$407,000 from the FY22 Amended Budget. The reduction in expenses related to the 2022 annexation election and legal fees related to a lawsuit against TCESD17 in FY22 were removed in FY23's budget. The budget for the core ongoing administrative expenses remained relatively static from FY22 to FY23.
